

ACCOMMODATION INFO

It is recommended to apply for the accommodation from the local Student Housing Company called MOAS.

Applying

You can submit a housing application at MOAS website www.moas.fi. Be sure to write your email address correctly in the application form because MOAS will send you an email when they have an apartment reserved for you. The email includes instructions for paying the deposit fee (IBAN and SWIFT). You have approximately one week time to confirm the reservation to MOAS and to pay the deposit fee. Without a reply, you will lose the reserved apartment and your application will not be on the waiting list anymore.

Rent

The amount of rent varies depending on the location and size of the apartment. The rent for a shared apartment is app. from 250 € /month upwards and for a single-room apartment from 350 €/month upwards.

In many shared apartments and also in some single-room apartments electricity is included in the rent. If the electricity is not included in the rent the tenant pays for the electricity to the local electric company.

Deposit

The deposit fee is 200 € for a room in a shared apartment and 300 € for a single-room apartment. The deposit must always be paid in advance.

Arrival in Mikkeli

You can get the keys to your apartment from MOAS office in daytime during office hours. If you arrive in the evening or during the weekend, you need to inform MOAS at least one week before your arrival for getting the key to your apartment.

Take care that you have paid the deposit before arrival in Mikkeli.

For any questions about MOAS apartments, please contact headquarters@moas.fi
